## Excelsior Academic Software License Agreement

This License Agreement ("Agreement") is a legal agreement between you (either an individual or a single entity) and Excelsior, LLC ("Excelsior") for the Excelsior software product identified above, which includes computer software, electronic documentation, and the associated printed materials ("Software"). By installing, copying or otherwise using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, you may not install or use the Software.

This Agreement is only offered by Excelsior to: **a.** Academic Institutions, defined in the sole and exclusive final determination of Excelsior as degree-granting accredited colleges, universities, graduate schools, and non-commercial research institutions; and **b.** professors, teachers, instructors, students, administrators, and other individuals employed by, enrolled in, or volunteering at such Academic Institutions. Excelsior reserves the right to decide on a case-by-case basis whether or not the particular person or entity qualifies for this License Agreement.

This Individual Academic License Agreement authorizes use of the Software only for teaching and non-commercial research activities. A research activity is considered non-commercial only if its results are not intended primarily for the benefit of a third party, are made available to anyone without restriction on use, copying, and further distribution, and are furnished at no more than the cost of reproduction and shipping.

### SCOPE

The license set out in this Agreement applies solely and exclusively to the use of the Software on computers and/or servers used for personal computing functions (such as e-mail, web browsing, office suite productivity) or running application servers in IT infrastructure ("General Purpose Desktop Computers And Servers").

### DEVELOPMENT LICENSE

Excelsior hereby grants to you a non-exclusive, non-transferable limited license to use the accompanying Software for teaching and non-commercial research only on the following terms:

**You may:** **a.** use the Software on any single computer; **b.** use the Software on a second computer as long as the first and second computers are not used simultaneously; **c.** copy the Software for backup purposes, provided any copy must contain all of the original Software's proprietary notices.

**You may not:** **a.** use the Software for any non-teaching activity which is a work for hire or performed under contract to conduct proprietary research or create proprietary work product for the government agencies or the private, commercial enterprises; **b.** distribute the Software to any third parties or permit other individuals or entities to use the Software; **c.** use the Software after your relationship with the Academic Institution ends; **d.** modify, translate, reverse engineer, decompile, disassemble (except to the extent applicable laws specifically prohibit such restriction), or create derivative works based on the Software; **e.** copy the Software (except for back-up purposes); **f.** resell, rent, lease, sublicense or otherwise transfer rights to the Software; **g.** remove any proprietary notices or labels on the Software.

The Software is in "use" on a computer when it is loaded into temporary memory (i.e., RAM) or installed into permanent memory (e.g. hard disk, CD-ROM) of that computer. No separate license is required for installation on a network server for the sole purpose of internal distribution to one or more computer(s), provided you have a separate license for each computer to which the Software is installed.

**Upgrades.** If the Software is an upgrade, whether from Excelsior or another supplier, you may use the Software only in conjunction with the upgraded product. The Software labeled as an upgrade replaces and/or supplements the product that formed the basis for your eligibility for the upgrade. You may use the resulting upgraded product only in accordance with the terms of this Agreement.

**Subscription Updates.** If you have acquired the Software as part of a subscription package, then you must treat as an upgrade any subsequent versions of Software received as an update to your subscription package.

### RUNTIME LICENSE

In addition to the Development License granted above, Excelsior

grants you a non-exclusive, non-transferable, fee-bearing license to use software programs or components of the Software that are incorporated or embedded in and used in the execution of your software ("Runtime Components") for the number of applications, users, CPUs, servers, or connections and at the sites, as specified on your invoice, on the following terms:

**Embedded Use.** Use of the Runtime Components in devices other than General Purpose Desktop Computers And Servers is not allowed under this Agreement. Please contact Excelsior for the conditions of such use.

**Production Use.** You may use the Runtime Components in your applications legally developed under the Development License above for internal purposes, which may include third party users' access to or use of such applications.

**Redistribution Use.** You may redistribute the Runtime Components on the following conditions:

**You agree to:** **a.** distribute the Runtime Components in object code form only and in conjunction with and as a part of your software product legally developed under the Development License above; **b.** not suppress, alter, or remove proprietary rights notices contained therein; **c.** indemnify, hold harmless, and defend Excelsior and its suppliers from and against any claims or lawsuits, including attorney's fees, that arise or result from the use or distribution of your software product; and **d.** ensure that your end users agree to act in a manner consistent with your obligations under this Agreement.

**Your license agreement with your end users will:** **a.** not permit your end users to modify, translate, reverse engineer, decompile, or disassemble the Runtime Components except as expressly permitted by law; **b.** not permit further distribution of the Runtime Components by end users. **c.** include statements that your product: (i) is licensed not sold, and that title to such offering is not passed to the customer, (ii) may include material licensed by a third party, and that you have assumed responsibility for the presence and use of this material; and (iii) comply with the requirements of section on Limited Warranty as appropriate.

**Fees.** The runtime license fees applicable to Production Use and Redistribution Use are detailed at <http://www.excelsior-usa.com/fees.html>.

## DISCLAIMER OF WARRANTY

Excelsior warrants that the media containing the Software, if provided by Excelsior, is free from defects in material and workmanship and will so remain for ninety (90) days from the date you acquired the Software. Excelsior's sole liability for any breach of this warranty shall be to replace your defective media. The Software licensed to You by Excelsior hereunder contains, in executable form, portions of the original code which was developed by Sun Microsystems and which implements the Java 2 Standard Edition technology (the "Original Software"), and Excelsior hereby represents, warrants and confirms to You that it has any and all necessary license from Sun Microsystems, Inc., its affiliates, successors and assigns, as the case may be (the "Original Contributor"), to create the Software (in particular, to modify the Original Software to the extent such modifications do not breach the compatibility requirements, and to include the resulting code into Excelsior product). It is however expressly understood and confirmed by You that any license granted to You by Excelsior hereunder, is granted solely by Excelsior, and not by the Original Contributor, and You hereby expressly confirm that You will have no right to bring any claims, suits, actions, causes of action, demands or requests against the Original Contributor hereunder, and You hereby expressly waive any such claims, suits, actions, causes of action, demands or requests.

THIS LIMITATION OF LIABILITY SHALL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION. FURTHERMORE, SOME COUNTRIES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION AND EXCLUSION MAY NOT APPLY TO YOU.

The provisions of this Section shall survive the termination of this Agreement.
